The first real sword I held in my hands  
was a completely different kind of object.  
It was an entirely different thing compared to  
a wooden practice sword I was using.

Its blade handle  
was too big for my  
two hands to grasp,  
and the blade was  
heavy.

Its blade was also  
so sharp that it was  
reflecting bluish glow.

You might hurt  
Myself.

Don't worry  
I am holding  
the blade.

It was shining.

And it was sharp.

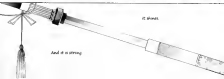

Does it feel good  
to not care in front  
of a hot ?

My...

Destrota

Destrota

Destrota

And it is strong

It shows

However,  
I was afraid of having  
to feel how it is like  
to not flock with a flock.

After all, no matter how beautiful  
a sword may be, it is a weapon to harm  
others.

[chirped]

Therefore, I told her that  
I would rather not have swordsmanship

And she granted my request

I have no regret about  
my decision.

Take an airship.

Jani-Wang,  
we will see them  
after a while.

Oppe

Ryo Sang !

Swear that you  
will be there,  
okay ?

笑

Okay?

Lady Hwaent!

perhaps one goes  
if I let you escape...

I will get  
replied...

Go ahead!  
I will worry  
about her!

Jane Young  
and Higashida,  
you both take  
fire, and...

Water  
under the  
crucifix!

Please do not speak my friends to Margaret

Jane Young  
and I

== Please do NOT upload my projects to Mangafox. ==

Nana,  
let's go,  
hurry!

Along with scent of blood in air ...

There was sound burning steel

Min-ah is so funny!

Ryeo-Sung:  
Let's go!

... Ryeo-Sung  
Ryeung, what is  
Min-ah doing?

She's sleeping!

... Sleeping?

I will take care!

Go, go!!  
Go, go!!

No!

Wait!

May !

Don't you !

Applauding  
you !

Don't !  
Take away  
and go ahead !

Hyeong

How  
does her  
feel?

How

How

How

Please do not spread my projects to the public.

I ... want him a favor,  
or I am hoping that  
he won't get hurt ...

That ... his opponent  
is a skilled ... guy,  
or I wonder ...  
you know?

What the hell  
are you talking  
about?  
It was you who  
attacked him,  
right?

Have you heard of  
a story "A head that  
you had a fever"?

Like that  
you just  
need?

It's about a head  
who sacrifices its life  
for a small fever  
it received in its  
life time...

But you know,  
no matter how big  
of a fever may be...  
I wouldn't want to  
sacrifice myself

Having said that...  
I do not give a  
fever... when it was  
a child.

Though you probably  
do not remember

After all, you've  
helped out countless  
young men

Minori,  
don't listen to  
him!

Let's -

Then -

Will you pay the  
fever back now?

Let us go just  
this once.

... You were walking  
on a road?

... The one a poor lad  
who was covered  
with snow.

What would you do?

What was his name?

Yes ...  
(First name)

Yes-Yes ...  
(First name)

Yes-Yes ...

Come here.

It was raining on the day.

Let us go together.

I felt so cold that I was shaking all over.

Yes, I believed.

The first time I met her,  
 she was crying.  
 I was the only one  
 who saw her cry.

The forest is a mix of deciduous and coniferous trees. The deciduous trees have bare branches, while the coniferous trees are evergreen. The ground is covered in a thick layer of fallen leaves and branches. The overall atmosphere is quiet and serene.

**Get it... from the people who  
make the most of it...**

I am truly ...

If I waited ... in  
snow ... would I  
have met her  
instead of ...

Worse than  
a fond ...

Saba-nim !  
(Teacher)

Monks,  
are you  
strong?

Sure, I will  
take on any man.

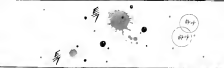

Yes, I am in the  
line.

I don't think you're  
my first love or if he's too  
dangerous, so I don't  
want to make a mistake  
unrecoverable.

I am not talking  
about comfort.

"Còn tôi rồi không?"

That night

*When they could.*

*John was looking dead for  
coldness and lack of  
proper clothing*

*It felt like now the steam  
of breath was being frozen  
in the air.*

The night was long,  
and snow would not  
stop.

We were  
chattered and  
separated from  
each other.

For the first time  
I saw

Our family  
was not really  
together the  
ground.

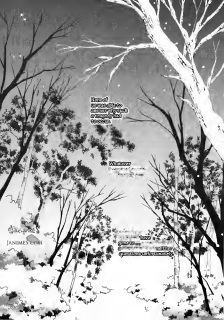

The temple had the most beautiful view  
during spring.

Hard  
frosts have  
transformed  
our landscape  
into a winter  
wonderland.

#### Winter

Winter is the best  
time to visit  
the city.

ANIMALS

Winter is the best  
time to visit  
the city.

Don't

Don't you dare  
leave me alone  
in this world  
I'll be right  
there with you  
everywhere  
and

I just ... don't know  
anymore.

Once I closed my eyes -

Familiar characters  
passed through my mind.

Admiration after study

Flowers

it was fun.

it was long and lively

「……」

No !

It wasn't me !  
I didn't draw it !

It's ... really  
strange that  
you are worried.

But that poster  
is stranger !  
I bet we can tell  
recognize you !

Even you did  
not recognize  
I had a hard  
time as well !

Smiles are destroyed the  
only poster in this area just  
now, so it's safe

She does not  
look like that !

The heart will  
it take off

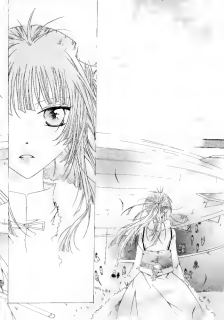

Late afternoon

Wind was blowing now

Mya-Lin, name ?  
He went in !

And a thought passed  
me by

We have to  
go, come on !

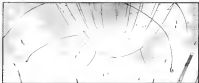

Quickly !

We can wait again, I thought.

Just for the moment.  
The time I was moving  
or less.

  
ANIMÉS CYRIL

People are made again

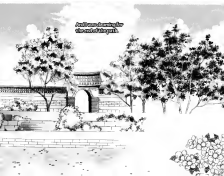

1. The first step is to identify the problem. This involves understanding the symptoms and the context in which they are occurring.

Nabi

[ANIMATED CLIP]

Well, we can  
come back right  
away.

I guess...

Stand by  
your seat.

It looks like the  
restaurant's open again.  
I guess, when she  
jumped in me.

Are you hurt?

Just Young...

Myer name was killed!

Not just her

Oh...  
Myung-Gil...

Sub-Zero...

We saw the temple enveloped in flames ...

Yes, so it was obvious that it wouldn't  
end easily ...

Don't take this too  
lightly

And, given  
people can die ...

.. Like my mother ..

.. Like my mother ..

How about  
Sakurum ?

Look! Here I stand now,  
 the man with the old-style  
 haircut, the mustache,  
 and Qing Hai haircut!

What should be done  
there.

Of course, she is!  
She said she'd wait  
out our father.

I am sure that we will  
reunite with her again.

As long as they're here —  
we can meet again,  
that day —

Thank.

It is — the dead  
who's miserable.

Let us know if  
anything happens.

Heads, our rooms are  
pretty quiet.

Are you guys  
comfortable?

Time to shower.

I need to  
borrow a  
shower hat  
as well.

Yes.

Let's get the guys' clothes down as well.

... I'll do it.

High rise, are  
you afraid of  
darkness?

Shironeko  
JANUARY 2009

Yes, I am  
very scared  
of it.

Are you scared now?  
Why don't you go  
back?

Shironeko is with me  
now, so I am not scared.

That means you are  
afraid of being alone.

Would you like  
to accompany it?

Again, yes.

Even in darkness,  
there are sounds.

You are never alone  
even in darkness.

The wind, the earth,  
the universe.

The wind, the earth,  
the universe.

The wind, the earth,  
the universe.

The wind, the earth,

The wind, the earth,

Wind-blown grass,  
blown grass, blown grass,

From tomorrow  
I'll start my new life.  
I'll live.

You are telling  
me that now ?

Dama, it!

Yuk ...!

Ajya Sung !

... Ah,  
did I surprise  
you?

Sorry, Aoi

You are waiting  
prof.

Here, sir...

And what are you, a  
dog? You would not  
jump from up there!

I don't like you  
really much at...

What?

You almost  
killed me killed!

What's this?

Is he going up?

What's up with them?  
They are placing their bets in other countries now when they refuse their entry.

It's not only that.  
They are demanding releases from other countries.

I fear something ugly  
might happen in the near future.

The last war ended  
only recently.  
They wouldn't start another.

I hope you are
